The IRCC Processing Officer

Immigration, Refugees and Citizenship Canada (IRCC)

SUBJECT: EXPLANATION LETTER FOR PROVINCIAL ATTESTATION LETTER (PAL) EXEMPTION

Dear IRCC Processing Officer,

I am writing this letter of explanation to formally confirm my exemption from the Provincial Attestation Letter (PAL) requirement, in accordance with official Immigration, Refugees and Citizenship Canada (IRCC) operational guidelines.

As documented in my attached Letter of Acceptance (LOA), I have been admitted into a degree-granting graduate program at the Master's/Doctoral level at the University of Alberta, which is a public Designated Learning Institution (DLI # O19257171832). Under the current IRCC mandate, post-graduate degree candidates at public DLIs are strictly exempt from the requirement to submit a PAL.

Thank you for your time, consideration, and processing of my study permit application. Should you require any further documentation or information, please feel free to contact me using the details provided above.

Yours sincerely,

Ravi Garg
